## *Blessed Among Women (People)*

Relationship, relationship, relationship. This is all about relationship. An intimate and two-way relationship with the Holy Spirit, Jesus, and Our Father in their Fullness.

FACILITATOR :

One who courteously, deftly, fluently, easily, expedites (jump –starts others to seek, learn, share, grow in Fullness of Christ). Willing to SHARE and be transparent for others to learn from you and start their own learning experiences.

The Holy Spirit has suggested to me to “look for Amys” for the facilitators, even in the children as facilitators. This is a starting point, not a ‘rule’ you must stick to. Little Amys and teen Amys and grown Amys.(You as facilitator will look for little Kathys, or Shirleys, or Evelyns...as like yourself) **NOT** in looks, (not female only), or color, economic status, nationality or such, but in needs, weaknesses and strengths, possible giftings, attitude and eye of the heart, thereby having the same principles and the Holy Spirit offering to me will help them also. He has taught me, and taught me well. I expect He has done, or will do, the same –and more- for you. He has made me who I am in the face of rejection, grief, sorrow and depression, immaturity, emptiness and lack of knowledge. How to act and react as a yielded, listening, hearing, agreeable- to –His- Will, merciful, loving, obedient –to-the-best-of- my-ability Betrothed Belov-ed in the face of temptation of every kind, frustration, and weakness. The good, bad and the ugly belongs to Jesus, and He faithfully Loves me through it all. All I have, all I am, all I do is His; all He has and is and does is mine. Maturity in me is my deepening daily dependence on Him.

Love is a choice. In His Love, by His Love, through His Love, I choose and am committed to Our Creator Father, Jesus as Our Husband, and the Holy Spirit as Our Best Friend. They are our Provision, Protection, and Preservation no matter what it looks like, or others say or do. He has always been with us and always will be. We are to humbly receive Agape love from God and humbly release it back to Him and to all others freely.

We are called to leave all behind and “Go in the Name of the Lord.” We show up and He does the rest. All we take with us is the heart He has taught and taught well. Unmistakably, we know that whatever good happened, Our Father, Jesus, and the Holy Spirit get the credit (Glory) for it because we know we did not do it. Credit= Glory= His Reputation being built in earth as it is in Heaven. He smiles on us and applauds with showers of Blessings of more of Himself.

His Anointing (a portion of His Presence) is with us. All that we need is within His Presence. We have a Genius inside and His Name is the Holy Spirit. We give Him credit for all Good. Obedience to the Holy Spirit results in seeing His Power released; in us, through us, around us.

There is more but I think in a capsule form, a seeker, yielded (humbly submitted) to Our Father, Jesus, and the Holy Spirit, listening (hearing) Him, praising (agreeing) with His Will, and obeying (acting upon) Him.

We believe and speak Jesus is Lord and has come in the flesh.

We believe Jesus’ Blood speaks of Redemption. Life is in the Blood.

We believe in and embrace The Already Completed Work of Jesus’ Cross.

We believe and share that Jesus is coming again.

We submit, wait for and acknowledge His witness (📖 1Jn.5: 7-8)

We believe we are not to be ashamed, intimidated, embarrassed, fearful, or apologetic of the Light of Truth we receive from the Holy Spirit when we pray, speak, study, sing or share. In His Love we receive, in His Love we give.

We believe we are God-pleasers, not man-pleasers. God-pleasers look for the approval of the Holy Spirit (He demonstrates Himself in, through, and around you). Man-pleasers please themselves or look for the approval of those people around them. People's approval or opinions, are more important than God's. We fear God, not man.

We believe we are secure in Christ. We are free from being "needy" in relationships. We are free to love and serve.

We believe the Holy Spirit makes us to be a humble, diligent, seeker.

We believe we are to be Grace- conscious, not sin- conscious. To focus on the Grace and when convicted, repent, put it into the Already Completed Work of the Cross and receive His unearned, undeserved Mercies and Grace anew for further growth of maturity in Christ. His Grace is our credential.

We allow the Holy Spirit to make us reliable.

We believe we are a willing, living sacrifice.

We believe we are not to blame others. We are to take responsibility for mistakes, whether done on purpose or by mistake. We put all trauma caused into The Already Completed Work of Jesus' Cross. We believe we are a unifying factor in the Body, flexible and able to receive instruction and correction.

We believe we are to receive Agape Love for all equally.

We believe His Robe of Righteousness He gives to us and His virtue.

We believe Our Father, Jesus, and the Holy Spirit are Our Father, Our Husband, and Our Best Friend.

We believe the GodHead is our Provision, Protection, and our Preservation.

We believe our faith and all the good that we are, all the good we have, all the good we do, comes from the GodHead and goes back to the GodHead because of Jesus, because of The Already Completed Work of His Cross, for the sake of His Kingdom, by His Mercies new every morning and His Special Graces.

We believe we receive that only exceeding abundant Life of Provision, Protection, and Preservation because of the above.

We are thankful.

## *"Will You Be His Friend?"*

As a small child, I was afraid of the dark and of what I "saw" and "heard" in it. A few times I had heard my Father praying out loud for the family in the next room at night before he went to sleep. I was touched by hearing him. My sister had been trying to teach me the Lord's Prayer. One night I heard the rustling of material next to my bed. I thought, "I will turn over quickly and look." So I rolled over onto my side and stared. I saw sandaled feet, the bottom of a robe and a person's knees pulled up as they sat leaning against the wall. My eyes went up to see who's face it was. I spoke out loud, "O-o-oh, it's just you-- Jesus," as if it were commonplace that of course it would be He who was sitting there. I knew Him, and He knew me. He did not speak. I sighed in relief, turned over and went to sleep. I was never again afraid of the dark.

In my father's house, I no longer "saw" or "heard" things that frightened me. As a child, I interpreted that to be that Jesus is there with me all of the time as an everyday person and His Presence protects me from whatever I don't recognize, know or understand. He protected me from what scared me. In fact, He took it so far away from me that I didn't even think about the fear anymore, even at bedtime. He freed me to realize I was in His safety. In the face of fear, His Presence had won. I think my trust in Him knowing me and being aware of my needs began here. Jesus is real and alive and all-powerful and even notices scared little girls. He won my heart forever with that one.

The Holy Spirit asked me, "*I have always been your Friend, will you be mine?*" Under great conviction, I realized how true it was - His Faithfulness as my Friend. All the times and places He upheld me... Gladly, I said, "Yes, Lord, teach me how to be your friend in return." This ministry is relationship, relationship, relationship. The Holy Spirit is asking you the same question. How will you respond?

## *"Will You Stay With the Holy Spirit?"*

### *My experience of this choice...*

I had several other traumatic (seemed to me) incidences as I grew up. Some of them are recorded in the Holy Spirit series. Each time when there was bold trauma facing me, Jesus showed up and showed Himself strong again to me in new areas to trust Him in. His Presence was always there. It is His Anointing (a portion of His Presence with us.) He showed me He had given me His Word, Will, Name, Blood, Comfort, Mercy, Peace, Love, Joy, Blessing and Robe of Righteousness and the Already Completed Work of His Cross to live in. He sent the Holy Spirit to be my Best Friend while I am here on earth. He gave me a position of intimacy and wants me "to give it away." This is my attempt to do as He desires.

The Holy Spirit asks us, "*Will you stay with me as I prepare you, fill you and form you to be the Bride of Christ?*"

I had written the Holy Spirit book of Testimony, The Work of the Cross, and the Friends of the Cross, and one page of Our Father's book, finishing with "in Our Father's House is many mansions." I wrote that down, closed my office door and felt that was as much as I was willing to write. A one liner.

For weeks I had been confessing and putting up notes everywhere, "There is Only an Exceedingly Abundant Life of Provision, Protection, and Preservation in Christ Jesus." "We receive."

Our publishing company had chosen to publish a book that Hollywood became interested in to make a movie. All was going well until the author writing the screenplay had to be hospitalized for months. We had been given a time limit to finish. The time passed and the Hollywood backing chose to go on to another project. Essentially at that point, we lost everything. The book had incurred high debt with the penalty interest daily compounding. We lost our company, house, cars, and our life as it was. That day I stepped out of my office I thought that the house in Heaven would be the only house that would be mine again.

An anger started a turbulence in me by that afternoon. For no known reason to my mind, I was feeling furious. It got dark early and began to rain. My unexplained anger was growing. I was having a hard time being civil to anyone. I never experienced an anger like this and I didn't know what to do. I looked outside and thought, "I could cut down every one of those trees in the woods and not

be tired.” I told my husband I understood how people can burn down whole cities with an anger like this.

The rain turned into a thunderstorm and the electricity went off at dinnertime. It was a hundred degrees in the house, so-o-o humid, stifling, dark, raining, with thunder crashing all around us. And no phone, no less. This violent storm was equal to and displaying my feelings.

Hours later our two boys, Aaron (17) and Elijah (19) and their friend Nathan (20), came upstairs for a drink. In the dark kitchen, they spilled a pitcher of lemonade on the floor. I yelled at them to clean it up and leave the refrig shut. They silently did so. We were all miserable, sweaty, bored, and couldn’t sleep under these conditions. They came up again at about 10. They asked if they could go to Nate’s house to see if their electricity was on and get a cold drink. We told them yes- and to consider staying there.

Ed and I found our battery radio and sat on the bed listening to the people speaking in their languages all over the world. We had no idea what time it was. We both jumped a foot when someone pounded loudly on the front door. Ed took a flashlight and opened the door. A policeman stood there. He came in. I found my way down the hall to them. My heart was banging in my chest, but I realized my anger was gone. Like the air let out of a balloon, I was deflated and calm. The policeman said we needed to come with him. He wouldn’t say why.

We got into his car and drove to town. As we entered the hospital driveway, he said, “Something has happened.” There were people standing outside starring at us as we got out of the police car. Ed and I looked at each other, and I thought, “Why? There is only Exceeding Abundant Life in Christ, right?”

We entered the doors and a group of people met us and took us to a room to talk. There was an accident....I started to shake. Nate was driving. At 35 mph, they hydroplaned on a big puddle of water on the road on the way home and hit two side-by-side telephone poles. One hit each of our sons. One the front door, the other the back door. The air bags went off in front. Nate was ok. Eli was hurt with injuries and Aaron was in critical condition. I shook violently with fear and shock. A chaplain was there praying with us. I heard Eli yelling in the distance. They were stapling his head back together. They let me in to see Aaron. I anointed him with oil I had in my purse. I prayed for him and told him I loved him. I kissed and held his beautiful hand. It was shaking as mine was. He had always had such beautiful hands... The character of God was in this child-man’s hands and I marveled at the beauty they represented.

In the midst of all this darkness, I realized there was a complete Peace. In us, and in the room. A Peace, a Plan, a Will, so much larger than us was at work. I had no control over it. All I could do was surrender. Our sons were both Christians since they were very young. God was in control of His universe and this situation no matter what my desire was. God’s Will is Supreme.

We had to take Aaron to a second hospital in the storm in the middle of the night. The neurosurgeon we were sent to see never showed up. Aaron was on life support and slowly dying in front of our eyes while we waited. Another Dr. was asked to please check our son and see what can be done. He told us it had been too long. If they did operate he would have only a 2% chance to live. He said if it was his son, he would let him go.

We went to ask our other two children if they agreed with us in letting Aaron go home to Jesus. Then we met in a room with a hospital representative, a floor Dr., and the head nurse to tell them we were upset the Dr. we came to see never came.

While we were speaking, the alarms went off and the nurse said, “Aaron has given you your last gift. You won’t have to turn off the machines- he is gone now.” 10:59 a.m., June 15,1999. We all went into his room. There was that heavy Peace in the room. We prayed and each said goodbye. I told him I named him Aaron to be as the priest of prayer. Now he can pray God’s Will for all of us, clearly seeing what it is from his higher perspective and that our love for him is eternal and abiding.

We walked out of the hospital. I was thinking, “17 years ago I walked into the hospital and received a sweet child and went out with him. This time I walk in with him and go out empty handed with my child gone forever.” Truly, God does give and take away according to His Will, Plan, and Purpose.

The Holy Spirit reminded me of the day before. Aaron had given each of us a gift. He had called his friends, even in other states. He had let each of us know he loved us. To me, he had said happily, “Mom, I have my thankful heart back.” He had been born with a thankful heart and lately it had been tempted to complain. To Ed he said, “Dad, I want to help you with your work.” Ed was so touched. Aaron loved all of us.

The Holy Spirit was so faithful to keep us wrapped in His Peace. The belief in His only Exceeding Abundant Life of Provision, Protection, and Preservation in Christ prevailed the test. Because of Jesus and the Already Completed Work of His Cross, for the sake of His Kingdom, by His Mercies new every morning, and the special Graces of God, we stand and believe. Jesus’ Faith and Belief solidified in us firmly as a rock by the work of the Holy Spirit, Our Best Friend. We yield to His Preparation to make us the pleasing Bride of Christ. Filled, formed, without spot or wrinkle.

In three days time, we lost all of our life and our youngest beloved child. Out of every death there comes a life. This was a time of a reality check. We really could find ourselves in Heaven in 5 minutes. I don’t want to get there and find I have not done God’s Will that He created me for.

A Graceful determination and diligence set in. Jesus, our Aaron, and us had died for this. The Holy Spirit is our focus, speed, energy, and His wind is beneath our wings. If He does not come, we don’t go; if He doesn’t give it, we don’t have it; if He doesn’t do it, it can’t be done. When we wait on Him, He is faithful to give more than we could ever hope or ask or think of. He does give one-hundred fold return. “Yes, we will stay with you Holy Spirit.”

Will you stay with Him, by His Grace, and be His Facilitator, no matter what happens in your life and those you love?

### *Your Reality Check*

I would ask the Holy Spirit to give you a REALITY CHECK today. Are you walking in the Will of God for your life today. On the way home from the grocery store, say you find yourself in front of Jesus at the throne of God in Heaven. Will He say, “Well done.... Thank you.” I hope so. I can’t imagine hearing a “but” in His voice that you spent all the time on earth but did not complete His Purpose He created you for and sent you there for. The disappointment in yourself would be unbearable. We have a limited time here on earth, an eternal amount of time to either regret or rejoice in what you did with it. Maturity sees and faces reality clearly. I pray the Lord give you a reality check of an experience and you choose to not waste His time through your life, but yield to His Will and Purpose, even to His High Call.

### *“Where Is Your Heart?”*

The Holy Spirit has me ask that question to people. He will reveal whether what you are doing is lining up with His Will for you by your answer. At least working in that direction. Your true success quotient: sense of fulfillment, Joy, Peace, and Love is wrapped up in this question and answer. If your thoughts, feelings, words, and actions line up with the Will of God you are bless-ed. If not, you feel like a revolving door, unexpectedly changing its rotation back and forth, smashing your own face and feet, and confusing, hurting others in the process.

So, answer that question in your heart as unto the Lord. It is better to face the answer now, than on the day you stand before Our Father. *“Let it be written in the annals of Time that before God and all His Angels, I have spoken this unto you...”*

If He is calling your heart to be a facilitator (a messenger) of the Fullness of the GodHead Bodily series that will jump-start others to receive all the Already Completed Work of Jesus' Cross, please sign –up. I have included you in all of my prayers of the Cross for all this time. The Holy Spirit will bear witness to you. Pray and ask.

*“Heavenly Father, Jesus, Holy Spirit, Am I one of your facilitators of the Fullness of the GodHead Bodily? If so, please bear witness, otherwise make me forget it. In Jesus Name, Amen.”*

## *Seeking Seekers*

The Holy Spirit inspires us to be a seeker. To seek, seek, seek, till you find, find, find, ALL He has died to GIVE you! To find and embrace Jesus and The Already Completed Work of His Cross - to be Born-again – and join the Kingdom of God, in earth as it is in Heaven. To find your family - Our Father, Jesus, and The Holy Spirit Loves You...and you can do all things through Jesus Christ who strengthens you. Being Filled and Formed by The Holy Spirit as you die to your 'selfish' life – and He then reveals more of Jesus in you through apertures of Light into your understanding.

The Holy Spirit will teach you all things you need to know. He will teach you to:

*Pray* (yield, surrender),

*Praise* (agree, vulnerable),

and *Study* (listen, hear, see, receive and understand Revelation Knowledge- unashamed), as The Holy Spirit reveals it *to you personally*.

All born-again brothers and sisters in Christ have equal access to the Lord and All He is and All He has and does. The written Word is yours. The Living Word is yours. Revelation Knowledge is for all of us. A Holy Spirit Personalized application is for all. Not personalized interpretation – or opinion- out of your un-yielded mindset for vanity, division, and self-aggrandizement.

*The Holy Spirit WILL Teach You!*

*Apply yourself to Him and He will apply Himself to you!*

Seek and you shall find....

*You come to the Holy Spirit's Word of God Library and receive daily Manna! You do not have to diet on regurgitated food from others, including me.*

*My main point is to tell you, THE HOLY SPIRIT CAN AND WILL TEACH YOU ALL THINGS YOU NEED TO KNOW –PERSONALLY!!!*

Seek and you shall find that He does.

*You Pray, you Praise, you Study.*

*He will teach you.*

## *Seeking Receivers*

This section must be very important. I have typed it in three times and it is mysteriously missing each time I come back to it the next day!

Well, Humbly RECEIVE all that Jesus has for you because of Himself and The Already Completed Work of His Cross; apply it, walk in it and give it away as He inspires you to share with others.

There are lots of components to receiving. The spirit of intellectualism has to be bound and put into the Cross; humility, a surrendered will, divine order in your spirit, soul, and body...but the first step is to *be willing to learn from the Holy Spirit. Believe He will teach you personally. Trust Him to do it.*

He will teach you personally! Better His Holy Personal Counsel than a million psychologists or psychiatrists that are only guessing. They are doing their best for people, but teaching and guiding you to yield and listen to the Holy Spirit in your own heart as your Mighty Counselor, is the Higher Way.

This is not a “self-help” program. You will be helped, but it is Holy Spirit Counseling Sessions. One on one with the Holy Spirit. He is your personal seven fold Spirit Mighty Counselor,

📖 Isa. 11:2.(SRB)

I am not speaking of New Age (or old age as in angel worship) “listening to your guides” either. There are many spirits outside yourself willing to falsely guide you. They are really in the dark. This is the One True Voice of the Holy Spirit inside your heart who knows all things and only has your best interest at heart. BIG DIFFERENCE. The Holy Spirit will deliver you from dabbling in all of the above, if you ask Him to.

Even well intentioned counselors in the Body of Christ can get stuck in helping people, but finding the one in need get dependent on their help- personally or medically, rather than seeing them link with the Holy Spirit and their dependence grows *on Him*. I know that is not always intentional, either. Some are very frustrated and depressed over this fact. Then again, some temporarily enjoy the seeming encouragement of being needed. Some do view their success as lots of long term patients dependent on them instead of God. Their joy could be to put themselves out of work, so to speak, by truly helping you link securely with the Holy Spirit. That would be a High Calling In Christ. Receive the freedom In Christ themselves because of Jesus and The Completed Work of His Cross, and teach others to go on...sharing.

You have to be willing to Trust God and not be lazy though. Many say they want help, but really only want someone else to do all the work it takes to be freed and stay free. Others cannot be your self discipline, but the Holy Spirit can be your Helper.

He who made you knows every fiber of your being since the moment of His first thought of you. He never forgets anything, but He Loves you beyond what *He knows about you* and He understands beyond your understanding all the ‘whys’ and reasons of all mind sets, attitudes, relationships, and situations, circumstances, and temptations.

He always forgives and Loves you and believes in you and hopes in Christ in you the Hope of Glory. What a God, huh? He is more than worthy to Receive from!

*“Teach us to RECEIVE and to BE RECEIVERS, Holy Spirit, in Jesus Name, Amen.”*

We receive His Truth in His Love, for His Love to be revealed in us and flow to others as He has Loved us. Any lies or hindrances in our thinking or belief system are revealed and put into the Already Completed Work of Jesus’ Cross by prayer and the reception of Truth-in-Love by the Power of His Precious Diligent Faith transferring, stirring, and that Light in our understanding revealing His Completeness in us as our souls and flesh move into being more and more *In Christ*.

We receive all that Jesus died for, resurrected, ascended, was enthroned, and is interceding forever for us to receive; The Already Completed Work of His Cross.

*“Love Light Life of Truth Be! In your understanding today!”*

*I pray you “Receive His Loving Truth and uncover how much He Loves you... today and forever, in Jesus Name, Amen!”*

## Seeking Overcomers

To 'Come' was Our Father's gracious first word of invitation to Noah and his family to enter the Ark for Preservation from the flood, [📖 Gen.7:1](#). The Already Completed Work of Jesus' Cross-His Holy Person (His General Will and specific Will for each of us) and all He is and does- is Our 'Ark'. We enter by the Power of the Holy Spirit and the precious Blood of the Lamb Jesus, take up permanent residence, and set up our home office In Christ.

Pray quickly... *"We have come, Lord. We are coming into You more each day with all that we are, are not, and hope to be. All that we do, do not, and hope to do. Into You, Holy Lord. Cause us to empty ourselves into You and The Already Completed Work of your Cross, and receive more realization and actualization of the Mysteries of Christ in us the Fullness of the Godhead Bodily.  
In Jesus Name, Amen."*

'Over' is to go atop and ride the Wave of King Jesus' Prevailing Triumphant Power of 2000 years and still going - His Peace, [📖 Ps.29:10-11](#), through the 'flood' of all difficulties. He will give strength and bless us.

*"Take us Over in Your Peace, in Your Power, Lord. Make us- cause us to be Overcomers In You, in Jesus Name, Amen."*

## Seeking Lovers

Holy Spirit SonLight reveals and dispels the darkness of our fears in yesterday's memories all the way back to our core, today's possibilities, and tomorrow's self projected unrealities. The GodHead is Love. We have been created *by* Love, The GodHead- First Cause- Jehovah Elohim's first thoughts and perfect breath of Life *in* Love, *for* Love, [📖 Gen.2:7](#).

We were *in* Our Father's Love, formed *In* Christ before the foundations of the earth, [📖 2 Tim. 1:9](#).

We are Agape, GoodWill Love. We are Loved, and we will Love others the way The GodHead has Loved us!!! [📖 Jn. 15](#). (TME, I especially like the version of this Word from *The Message* by Eugene Peterson by NAVPRESS) He said, "Remember the root command: Love one another." The Fruit of that Love will Love, bless, and feed others. We were Created *for* Love.

All giftings, anointings, Powers, Graces, - All Good things of the GodHead is within His Love In Christ In you the Hope of Glory. When you have His Love and are His Love Gift, you have His All In All and can do All things through the Love of Christ who Already strengthened you. Be His Love Gift to All. His volume of Love poetry and music issuing from the Divine Press.

Until you have revealed, received and released His Love, you have nothing to give. All gifts and talents need to be motivated by, undergirded, and mixed with His Love (not lust or even human love) or else they are destructive to you and the audience of receivers because they are self-glorifying. We are here to Love The GodHead and all people, and look for opportunities to build His Kingdom, His Name, and His Reputation, in these personal earthen vessels and on this earth as it is in Heaven.

Because of Jesus and The Already Completed Work of His Cross, by the Power of The Holy Spirit, the SonLight of His Love will reveal, heal, deliver us from all our dark places of yesterday's fearful memories, take us through our today's possible fears, and into our tomorrow's hopeful promises and realities. The Holy Spirit will take us through times of apertures of Loving SonLight being focused into memories of our childhood, teens, adulthood, and immature Christian walk. As

laser beams that quickly reveal, burn, and heal, we find His Light has strengthened us and filled us with His Love.

Christ In us is now more than enough in those places.

### *SonLight Prayer*

See Jesus place His Hands over yours and pray ... *"Heavenly Father, First Cause, cause Your Light to come...Light Be! In little Amy( put your name in here), Light Be! In teenage Amy (speak your name again), Light Be! In adult Amy (your name), Light Be! In immature Christian Amy (use your name).*

*Cause me to receive, cause all things hidden to be brought to Light,  Mk.4:22, in Jesus Name, Amen!"*

### *Seeking Disciples*

A people willing to follow Jesus and the Redemptive Path of His Precious Blood ..Home. Not just be and do any old thing with your life, figuring Grace will cover you and Jesus can just 'get over it' as the expression goes today. That is what Mr. Bonhoeffer called 'cheap Grace' in his book *The Cost of Discipleship*. We do not want to use (abuse) the Grace of God to cover us (and those we facilitate-literal children and spiritual ones) so as to retain our internal disorder of hateful attitudes and sinful habits, and remain our prideful, immature, displeasing to the GodHead, useless selfish self.

We want to trust in the true, blazing, beautiful, precious SonLight of Grace, but not abuse our Gift on purpose, casting a false, dark shadow of cheap value on it. Grace will always be Grace for and to us because of Jesus.

### *Costly Grace*

By "*Costly Grace*", as Dietrich Bonhoeffer called it, you follow Jesus, lose all, and find all, and discover the Pearl of Great Price is in the field. God's Reputation, His Glory, will be revealed and the Kingdom of God built – in earth as it is in Heaven.

You give Jesus Your unbelief, He gives you His Belief; you give Him your weakness, procrastination, and laziness, and He gives you His Precious Faithful Diligence; you give Him your own wisdom, He gives you His; You give Him your own understanding, He gives you His; you give Him your counsel, He gives you His; you give Him your might, He gives you His; you give Him your knowledge, He gives you His Knowledge; you give Him your fears, He gives you Fear of the Lord and a security in Him. You give Him your emptiness and He gives you His Fullness. You give Him your formlessness, He gives you Himself, Christ in you the Hope of Glory in full stature.

 Isa.11:1-2, Rev. 4:5, Rev.5:6. (SRB)

As dry wood upon the Mountain let us receive the sparks of the Holy Spirit and begin to flame. Here is a line from Dante's *Paradiso* Canto1:34, witnessing this,

*"Great flames are kindled where the small sparks fly,  
So after me, perhaps, a better voice  
shall raise such prayers..."  
(that the GodHead will reply)*

*"When virtue lights in us*

*a fire of Love, that Love ignites another  
within the soul that sees its burning.”  
Dante’s Purgatorio Canto 22:10-12*

I see the *Purgatorio* book of Dante as a testimony of his now-in-this-life-experience of Jehovah Elyon and Jehovah M’Kaddesh: I AM Most High Sanctification processing in his life. The cleansing is the Sanctification in our daily lives that Christ in us the Hope of Glory may come forth and be formed in us, to God’s Credit and Profit. To live in Earth as it is in Heaven. Again, I am no scholar of poetry either, I just have what the Lord gives me, and understand what He shows me is applicable to Life In Him. He will do that for you also. Then through you, to others, by jumpstarting the spark.

## *Solitaries*

Often these people are the solitaries in their families. Solitary believers in the midst. In the birth and marriage families. In the church, workplace, neighborhood, community, even in your city, or state...

📖 Ps. 68:6, “God sets the solitary in families; He brings out those who are bound with chains, but the rebellious dwell in a dry land.”(SRB)

Solitaries in solitary confinement will find it difficult to remain courageous and accomplish their purpose.

Come. Find the family and fellowship your heart is seeking. An in-earth-as-it-is-in-heaven- *solitary support group*.

## *Prayer, Praise, and Study Foundation*

Prayer, Praise, and Study Foundations transform us into Overcomers because of Jesus and The Already Completed Work of His Cross...Witnesses of this fact.

📖 Rev.12:11, “...And they overcame him (accuser of the brethren) by the Blood of the Lamb, and by the Word of their Testimony; and they loved not their lives unto death”...

Learning to *Pray* is the applying the Blood of Jesus; learning to *Praise*-speak, sing, act in agreement with the Will and Timing of God- is to give the Word of your Testimony; learning to *Study* is to die to self –life, self-ish human love, lusts, and receive His Higher Thoughts and Ways thus activating the Living Word of Christ be formed In you, the Hope of Glory.

Learning to yield to Divine Order in your interior and exterior life is like The Lord’s Symphony of Christ in you the Hope of Glory that comes into being by Jesus’ Grace and Truth revealed in you. (I wrote this on the CD insert too)The Holy Spirit is our conductor. We each are an instrument. There are three chairs for each one of us. Our spirit takes the first chair for it is excellent in its following the Holy Spirit; the soul (mind, will, and emotions) takes the second chair, following the spirit & Holy Spirit; and the body takes the third, doing what the soul, spirit & Holy Spirit see fit. He tunes you up, gets the squeaks and squawks out, prepares you, and plays you in a great flow of harmony and unity. Our Father is pleased with the brethren dwelling together in unity, and His Blessings abound.

## *Again, the Fullness of Asape - Lover of The GodHead and all people*

*Eros*- man & woman kind of love,

*Philia*- near & dear ones love,

*Storge*- parents & children love,

*Asape*- GoodWill & benevolence to ALL Love

We know that we know WE ARE LOVED for Our Father God is Love. We were created by His Love. We have received His Divine Agape Love, because of Jesus. That Love flows into us not only to *Be* humbly Loved, but to humbly *offer* that Love to *All People, inviting them to receive Divine Love also -who is the person Jesus.*

*His* Love filling us and flowing through us covers a multitude of sins, then the accuser of the brethren is then cast down, and we are free to esteem each other more highly than ourselves...

*For us to live in earth as it is in Heaven.*

*Fully Loved, and Fully Loving.*

Trusting Our God, and seeing Him pleased - smiling at us: and *only* His exceedingly abundant Life of full Provision, Protection, Preservation prevails in and around us.

“Because of you, Jesus, and The Already Completed Work of Your Cross, Our Father Loves us, *we receive...*”

### *Seeking Givers*

Love prepares us to receive. Love from God that passes knowledge. Give back to the GodHead all they have given to you , and they will in return, bless, sanctify, and endue you with their Full True Power to give to people . When you know that you know you have their Love, their Joy, their True Peace branded upon your heart, filling and forming it, you will have a sure foundation to give to others. Receive, receive, receive. Then the time comes to give, give, GIVE what you have *In Christ.*

### *Seeking Facilitators*

Are you one of those who would facilitate God in the lives around us? I hope so. Friends, family, church friends, neighbors, co-workers, exercise buddies, kids, grandkids, foster kids, homeless folks, the elderly in assisted living, the Hospice...God is seeking you. His eye is roving to find you who would believe and say “Yes!”

Jesus spoke of personal discipleship in [📖](#) Matt. 11:23. I received this scripture for my dedication for this series. “*At that time Jesus answered and said, I thank you, O Father, Lord of Heaven and earth, because you have hidden these things from the wise and prudent, and have revealed them unto babes.*” Jesus is your personal daily bread. First Hand Bread to eat, not regurgitated from someone else, including me. We are to receive, give to others to get them started, and then to go on - to receive for ourselves and give to new people again. Not allowing others to idolize, or get dependent on us, or be lazy in seeking themselves or praying themselves, or using us as divining rods for them. We introduce others to Our Jesus, the Holy Spirit, and Our Father. We put their hands in The Holy Spirit’s Hands, and see the salvation and sanctification of the Lord personally come forth in them. He fed you, He will feed them, and He will feed others through them, and so on as the Lord fed His 5000 from only one small child and his lunch his Mother gave him. He gave what he had and Jesus multiplied it. The multitude was fed. You can be fed and then a part of Jesus’ food chain. Christ In you becomes food for others.

The result of this series that The GodHead wants for you, and then for you to offer the Inspiration to others, is for you to be made docile in readily *receiving* the Divine Loving Fullness of Christ Inspirations of the Seven Fold Spirit of God and obediently *giving* to others. Christ be formed In you, and Christ In you the Hope of Glory.

If you are reading this, He sees you and is embracing you now as you read. See Him smile as He welcomes you home to His Will; His specific Place and Purpose in it, for you. Take a deep breath in of His Presence, and a slow one out, whewwwww.

God wants to prepare us, and use us to prepare others...

## *For Opened Testimonies*

The Lord is building an 'Opened Testimony' in each one of us that He can use to further His Kingdom, Name and Reputation in earth, [📖](#) Rev.15:5, Rev.11:19. (SRB) "Who is Christ In us the Hope of Glory?" The answer to that from each of us will be different and individual. He is a personal God of each and every child. How did we meet Him, what happened as we got to know Him? We all have a glorious Story to tell. Our God is a fun God of surprises.

## *Bless-ed Facilitator and Prayer*

*"Bless-ed are all they who put their trust (belief) In Him."* [📖](#) Ps. 2:12b

Bless-ed = Humbled, Filled, Formed.

To Trust Him is to Believe In Him.

To Believe Him is to Taste Him.

To Taste Him is to Know Him.

To Know Him is to Experience Him.

To Experience Him is to Love Him.

To Love Him is to be Full.

To be Full is to be gladly Obedient In your Nature In Christ.

To be gladly Obedient in your nature is to be Formed In your Character In Christ.

To be Formed In your character is to find the Full Stature of Christ Matured-manifested- In you.

To find the Full Stature of Christ Matured-manifested- In you is to find Christ In you The Hope of Glory.

To find Christ In you the Hope of Glory is to Build the Kingdom, Name and Reputation of The Kingdom of God, in earth as it is in Heaven.

To Build these is to Realize your place, name, and purpose In Christ and The Already Completed Work of His Cross.

To Realize these is to Receive – Actualize-eternal reward:

To Actually Live in the circle of God's Love: to be Loved, in Love, and to Love, Eternally.

## *Are You Willing to be One?*

### *The Divine Watermark*

"Every person in the world is illumined with the Light of Reason, which is a reflection of the Divine Wisdom. We are like so many volumes issuing from the Divine Press. To each is given the freedom to write on those pages and thus do the autobiography of our character. Even though we write badly or well, indisputably stamped on the cover is the Name of the Divine Author. Despite inkblots of moral value which are due to our moral carelessness, *The Divine Watermark* is stamped on each page, untouched by our poor scribbling." Bishop Fulton Sheen, *On Being Human*

## *A Volume issuing from the Divine Press*

The Holy Spirit, The Hand of Heaven, is your Best Friend. He helps you write daily on each page of your life. *Will you be His Friend?* Become a volume of His Divine Eternal Love.

Hear the words of John the Baptist:

📖 Matt.3: 11, “I, indeed, baptize you with water unto repentance, but He who comes after me (Jesus) is mightier than I, whose shoes I am not worthy to bear; He (Jesus) shall baptize you with the *Holy Spirit, and with Fire...*”

Our Father, Jesus, and the Holy Spirit, and John the Baptist, want you to receive, walk, and give away to others - all that they have planned and released to you *already* because of Jesus and The Already Completed Work of His Cross.

## *Watch for money, sex, and power lusts*

Then right after that, in 📖 Matt. 4 Jesus is tempted by lust of the eye, lust of the flesh, and the pride of life. I heard one preacher take that down to one word each. Money, sex, and power. Simplified, but easy to remember categories that will present themselves in many different ways in ascending stages of your life. Same spirit but with a new twist each time. All your life you need the Holy Spirit to guard your heart against these three. The Angels will minister to you, as you say no to the temptations. Remember too- Jesus was tempted- it doesn't make you a dirt bag because you are tempted. It is not a sin to be tempted. Your response makes the difference. He knows we are weak and we need Him. He understands and will always Forgive.

## *In Christ*

You are growing up In Him. You go into Him daily with your weaknesses and He will go Into you daily with His Strength. We need all of Him. By prayer “put” the good bad and the ugly over Into the Cross. Jesus handled it all already for you two thousand years ago by The Already Completed Work of His Cross and turns all things into something Good when you Love Him, are attempting to please Him, be obedient, or follow His Will and purpose for you, 📖 Rom.8: 28.

May Our Father, Jesus, the Holy Spirit, and all Their Angels, minister to you personally by Their Grace, as you go through these Summits. We give the height and depth, width and breadth, of ourselves to them and they will infuse Into us the height and depth, width and breadth, of Themselves.

## *Apostle Paul Prayer*

Paul the Apostle and my prayer of agreement for you:

📖 Eph.3: 13-21, “Wherefore, I desire that you faint not at my tribulations for you, which is your glory.

For this cause I bow my knees unto the Father of Our Lord Jesus Christ,  
Of whom the whole family in Heaven and earth is named,  
That He would grant you, according to the Riches of His Glory, to be strengthened with  
Might by His Spirit in the inner man;  
That Christ may dwell in your hearts by Faith; that you,  
Being rooted and grounded in Love,  
*May be able to comprehend, with all saints, what is the breadth, and length, and depth, and height,*

*And to know the Love of Christ, which passes knowledge,  
That you might be filled with all the Fullness of God.*

Now unto Him who is able  
To do *exceedingly abundantly* above all that we ask or think,  
*According to the Power that works in us,*

Unto *Him be Glory* in the church by Christ Jesus throughout all ages, world without end.  
Amen.”

### *Make room for Jesus*

Make room for more of Jesus in our “inn” or temple, Holy Spirit!

We are exchanging exceedingly natural fear for the exceeding Faith of Jesus through exercising the prayer of The Already Completed Work of His Cross. Us (and all our ‘stuff’) moving over into God’s Will, our dwelling Place within the Cross, (home-office so to speak) releases His exceeding Abundant Life into us of Provision, Protection, and Preservation.

“And they feared exceedingly, and said one to another, ‘What manner of man is this, that the wind and the sea obey Him?’ ”

Jesus Christ In us and us In Him, through us, will calm the storms of lack, attack, and anxiety...

Our awareness of it, the realization of it, and the actualization of it, grows clearer. All things hidden will come to Light, ☞ Mark 4:22.

### *Apostle Paul's Prayer For You*

☞ (SRB) Col. 2:1-3 is:

“For I would that you knew what great conflict I have for you, and for them at Laodicea, and for as many as have not seen my face in the flesh,  
That your *hearts* might be *comforted, being knit together in love* and unto all riches of the Full Assurance of understanding, to the acknowledgement of the Mystery of God, and of the Father, and of Christ,  
In whom are hidden all the treasures of wisdom and knowledge...”

### *And Bless-ed Saint Matthew adds:*

“Lord of Heaven and earth we offer praise, for what you have hidden from the learned and clever, *you have revealed to the merest of children.*”

☞ Matt. 11:25(SRB) As the humbled, ‘least’ of His children, we receive.

Thank you both. We who are reading... agree and receive...

***Relationship!***

***Relationship!***

***Relationship!***

Relationship between...

you and Our Father,  
you and Our Husband, Jesus,  
you and Our Best Friend, the Holy Spirit.

RELATIONSHIP.

The Lord wants  
LOVERS  
(Not Fighters, with Him),  
His Warriors of Trust

We engage in spiritual warfare seeking and receiving the Revelation Word and in obediently applying it by the Grace of the Holy Spirit through Prayer, Praise, and/or further Study; believing it, speaking it, walking it out in Trust that He revealed something to us and will see the Lord be True and Faithful to that Word.

### *True Trust*

Trust is not a passive-aggressive attitude. It is aggressive, proactive, watchful, focused, and on the offence.

We are not to teach sin consciousness, but TRUTH, MERCY, and GRACE.  
Judgment does not bring reform.

Focus, as Jesus did for yourself and others on “the Joy that was before Him”, - on the end – on the Heavenly result in the earthen vessel as it is in Heaven: on the Fullness of Christ In us, the Hope of Glory, the Fullness of the GodHead bodily.

Look through problems and sticky wickets to end of story (testimony). “Look through a glass darkly.” See through it by Faith from Jesus to see and believe you and them complete, full, formed. It is a challenge. Only by Grace can this be done.

**Relationship!**  
**Relationship!**  
**Relationship!**

Hold fast your focus on what Christ *has already done* for you.  
The Already Completed Work of the Cross.

Testimony of any:  
Protection  
Provision  
Preservation  
Salvation  
Redemption  
Sanctification ...

Not on self-evaluation, but on what work He has done 2000 years ago.

📖 1 Jn. 2:27, *“But the Anointing you have received of Him abides in you, and you need not that any man teach you; but as the same Anointing teaches you of all things, and is Truth, and is no lie, and even as it has taught you, you shall abide In Him.”*

The Anointing you receive will teach you all things you need to know...Trust Him.

Believe and teach others through this Anointing. His Anointing is a portion of His Living Presence in earth - with you - as it is in Heaven. You can “share” Him with others and choose to give the Anointing to others. He will only do and transfer what He sees fit and to whom He sees fit. You just be willing and obedient to pray and give. He will do the rest.

You are not:                    their God (Father),  
   their Husband (Son – Savior),  
   or Best Friend (Holy Spirit is).

One who “shares” or teaches, is first to impart “Seeker” Zeal.

I am hoping that each one who reads this will be one. Even if for one other person or child. One child came into the world and changed it forever – Jesus. Jesus in you can change someone else’s world forever - for the Good of the Kingdom of Heaven is in your hand- heart - mouth. “Come, let us consider together.”

These materials are written for either the in-experienced or the experienced person sharing. I have put in details for the one who needs that and the ones who don’t I know can pass over those parts and be flexible to flow with what the Lord shows you. My *last* intention would be to “box’ up the Holy Spirit and how He chooses to move and use each individual person and their style of heart and facilitating delivery.

Each one’s testimony, anointing, gifts, and level of experience will be different. The ‘comfort with which He comforted you with’, the wisdom He shared with you, is all you need to start with and go from there by faith that He will add onto these day by day. As you share, He will give more. This is why it is essential to let others ‘share’ when you come together. It is like priming their pump. The ‘well’ gets primed and starts flowing.

That is our goal. To facilitate God! To gather more facilitators and get them started gathering groups in other times and places. Meetings for neighbors, co-workers, friends, Saturday groups, children, teens, gardeners...to ‘give your position away’ in the Lord, thereby, maintaining it.

*The Lord told me I was ‘in danger of losing my position if I did not give it away.’*

That got me going! I am ‘offering’ to the best of my ability. Please... take it and receive, and give it away!

## An "All Things" Agreement

Regardless of the Version used, make a choice- an *All Things Agreement with the Holy Spirit* that He will be and do what His Word promises...*He will give you All Things of the GodHead – His Anointing- and teach you ALL Things you need to know* to Be who In Christ He wants you to Be, and to Do what He wants you, In Christ, through Christ, to Do. To Be *All Things* In, through, and with Christ, to Do *All Things* In, through and with Christ. Then watch Him work!!! Pray, "Lord, teach me *All Things* I need to know! I Receive, In Jesus Name, Amen."

"The Anointing which *you have received* of Him abides In you, and you need not that any man teach you; but as the same Anointing teaches you of *All things*, and is Truth, and is no lie, and even as it has taught you, you shall abide In Him," [1John2:27](#).

Jesus said, [1Matt.11:27](#), "*All Things* are delivered unto me by my Father...."

Jesus taught disciples, [1Mark4:34](#), "...and when they were alone, He expounded *All Things* to His disciples."

Jesus now commissions all of us in [1Matt.28:20](#), "Teaching them (now you teach others) to observe *All Things* whatsoever I have commanded you..."

And, Jesus teaches us personally 'All things' today as He originally did His Apostles through Our Friend The Holy Spirit, "But the Comforter(Friend ), who is the Holy Spirit, whom the Father will send In my Name, He shall teach you *All Things*, and bring to your remembrance, whatever I have said to you,"[1John14:26](#).

[1Mark10:27](#), "And Jesus, looking upon them said, With men it is impossible, but not for God; for with God *All Things* are possible." Notice this is a variation of what His Mother Mary said at her reception of Jesus into her womb. "With God All Things are possible."

*Christ be formed In you, and Christ In you the Hope of Glory.*

Growth to maturity and full stature In Christ.

All Things are yours...Receive and then Give them to others. *As Peter said, "Silver and gold have I none, but what I have In Christ, give I to you." Whenwww....*

*Christ will be formed In others...*

*For God's Kingdom, Name and Reputation to be built in earth as it is in Heaven.*

Prayer:

*"Heavenly Father, Jesus, Holy Spirit,  
Anoint me with Your Living, Loving Presence, take me aside and personally expound All Things Into me. Release All Things of yourself In me. Mature me In Christ. Displace all things that are not of you. Scatter all the darkness. Your Light Be! In All my understanding today! I agree to receive All Things of You, Lord, and will release All Things of You to others as You direct and In Your Timing. Thank you, In Jesus Name, Amen."*

GO - look up 'all things' and you will be thrilled at what Jesus through your Friend, the Bless-ed Holy Spirit, will teach you... personally. There is a lot more All Things to seek and find.

## *Please, Remember The Children!*

This series and music is for the children also. I am praying the children will learn to pray The Already Completed Work of Jesus' Cross, and receive the Fullness of God, that they may grow up with the Fullness of His Love and not wait till they are 50 to know how to 'put' their hurts into the Cross and be strong – in the Love 'of Christ', and gladly give it away... becoming Facilitators also at whatever age God finds them willing.

One time I was taken to “the big church.” I think I was six years old or so. I knew the man talking had something important to say. I tried to listen, but I could not understand. The congregation laughed together once and I looked at them, wondering what was funny. I wanted to understand and laugh, too.

On the way home in the car I asked my family what the man had said that was funny. Two of them repeated what he said and one paraphrased it, but I still just looked at them as they all laughed together again. I did not get it. I remember not being interested in going into the big church again. It frustrated me. I felt left out. I heard familiar words, but the concepts and humor were not at my level.

## *Sowing/reaping Respect*

So, respond respectfully to your children's questions. Speak to them in terms you know they understand. My family could not make me instantly mature to the depth of their understanding. One matures one step at a time. Precept upon precept. Paul said he was to be all things to all people, [📖 I Cor. 9:22](#). He was flexible in his maturity and wisdom. He moved himself to whatever level of maturity a person was and related to them there – eye to eye so to speak. Kindly, respectfully; not condescendingly or sarcastic and impatient. That takes the Grace of God to do this. You sow respect into your children and they will reap respect for themselves and you and others.

Children have a huge capability to receive (natural and children of the Kingdom of God). Speak their language. Ask them to repeat to you what you said. Their interpretation may surprise you. You will know if they received the concept. You may be surprised at the innate wisdom of their responses or questions. Our oldest son was way beyond me in wisdom from the day he was born. When he was four he was asking me questions as we talked that made me go to my Bible hunting out the answers. I would find some answers and tell him, but his response was, “Yes, Momma” like he already knew that.

## *The not at all - or the mis-understood ones, can be the Greater*

If you do not understand what your children (literal or spiritual children) are saying, listen and heed their words anyways, thereby sowing respect again. Esteem them more highly than yourself, regardless of age or placement in the family birth order or plan of authority and responsibilities. When you do not understand, humbly consider yourself the lesser and receive by faith from whom you do not understand. Pray for “Light Be! In your understanding today!” Understanding and

Wisdom will come forth by Grace and Truth. Because of Jesus and the Prevailing Power of The Already Completed Work of His Cross.

Often your lack of understanding is revealing the other persons greatness of Wisdom in an area you do not have Light in yet. The world still operating in the Body of Christ's thinking, assumes that if they do not understand, the other one is the dunce. Therefore the right to be condescending, contemptuous, and dis-respectful is relayed or sowed, in feeling, thought, judgment, attitude, words, or actions and re-actions. An awful SILENCE can be equally destructive; making you an agent of quiet control and manipulation.

### *First Hand Faith*

The ones who learn from the Holy Spirit are operating from having received The Baptism of The Fear of the Lord. They learn from Him, more so than from people. Be glad and pleased, not insulted or insecure as a person who wants to be treated as an idol who knows it all. If the children get to know and trust in God teaching them personally, you have done an excellent quick work. The younger the better learning to trust in God, not in parents being perfect or flying on the tail of the parent's Faith. Better to receive their Faith first hand from Jesus and The Already Completed Work of His Cross. Rejoice with them! Christ in them The Hope of Glory is being formed.

There is a scripture about the New Covenant that says God will put His laws into the mind and write in their hearts; and He will be their God and they will be His people.

### *Prepare for New Covenant Children*

📖 Heb. 8:10-11, "For this is the Covenant that I will make with the house of Israel after those days, saith the Lord: I will put my laws into their mind, and I will write them in their hearts; and I will be to them a God, and they shall be to me a people.

And they shall not teach every man his neighbor, and every man his brother, saying, Know the Lord; for all shall know me, from the least to the greatest."

They all shall "know" Him. Families that know God, I believe this is happening in their children who are born to them. Children are born with God's innate wisdom and are easily prayed with to be born – again, covered by the Blood of Jesus, and filled with His Holy Spirit.

Pray ahead of birth for your future children, spouses and grandchildren to a thousand years forward. The sins of the fathers may try to carry three to four generations, but the blessings of mercy, love of God, obedience, and good can overshadow, overcome, and scatter the darkness. Ex. 20:5-6. The darkness flees when you ask for Jesus' Light. Light be! In Jesus Name. 'Putting' the generational curses into The Already Completed Work of Jesus' Cross dispels darkness. This is detailed in The Already Completed Work of Jesus' Cross Prayer and Counsel Handbook set.

### 📖 *Hab. 2:14 Happening Now*

This ministry was given the call to cover and fill the earth with the "Knowledge" of the Glory of the Lord, as the waters cover the sea. Teaching 'now' generations and praying for the 'now and the future' generations is to do our part of this call. The Lord will do the work. It is His Work. Like an aperture of His SonLight penetrating as a Divine laser into the dark places of the world, flesh, and the devil; bursting forth the SonLight of Revelation Knowledge, healing and freedom to be

Loved, and to Love, unselfishly. The Already Completed Work of His Cross *is complete* and the Prevailing Triumphant Power of it reflects, convicts, and does the work it was sent to do through us as we receive, are inspired and obedient to relay it by thought, feeling, words and deeds. The GodHead is in charge. They will cover us. They will fill. They will form. They will give. They will take, in Love, according to Our Father's Will for His overall Redemptive Plan and His specific Will within that plan for us personally and our families.

### *Commend the Children*

Play the music for your children, especially the instrumental at bedtime, when they are sick or scared or lonely. Let them soak it up. The anointing (a portion of the Living God abiding in the music) will be faithful to them. Commend the children to Jesus and The Completed Work of His Cross. As Jesus said on the Cross, "Father, into your Hands I commend my spirit..." We commend our spirits and our (literal or spiritual) children's spirit to the GodHead: Jesus and The Already Completed Work of His Cross.

Teach them as simply or as detailed as they can receive. They will catch it and get it now or later.

Stay humble and remind the children that God is Creator; we are His creation. When your children make wise choices in the face of temptation, or display wisdom or any other facet of "good" Divine Nature, or have gifts or talents, teach them they came from God, belong to God, and everything that is good inside them, their "goodness" is His Goodness, Christ in them, the Hope of Glory. Not of themselves, it is a gift of God. They are a living Permanent Gift.

### *All By Grace*

Teach them it all happens by Grace because they are Bless-ed. Filled and formed and humbled by God who Loves them completely and always. Grace comes from God, too – not because we grabbed it or were smart enough to earn or deserve it. Or because we did something right or good. Just because of Jesus and The Completed Work of His Cross. Truth and Grace comes to us because of Jesus. Sow the seeds of Truth and Grace by Grace. Grace, Illuminating Grace, Consuming Grace, and Greater Grace. Jesus and The Already Completed Work of His Cross is all, and did all - *for them personally*.

### *Prevailing Trust*

Trusting in His Prevailing Triumphant Power from the Already Completed Work of His Cross, no matter what the situation, circumstances, or temporary attitudes look, sound and feel like, will 'keep' them Divinely Provided for, Protected, and Preserved. Prevailing Trust Pulls them to a higher place to receive, or catch the SonLight rays of Love, Truth, and Grace. They will see and understand. New areas of maturity will displace the previous dark areas that were unknown bondages and places of rebellion to the humble Will of God for their life. The issues are really between them and God. You are the intercessor in word and deed in their behalf. It is not about you and whether you will be seen as a great parent or Christian. It is about Jesus and The Already

Completed Work of His Cross, Our Father and The Holy Spirit, The Hand of Heaven; Our All Powerful, All Being, Seeing, and Knowing, GodHead Family. Glory to their Holy Names.

### *Teach the Same Principles you Learned*

Teach them The Already Completed Work of Jesus' Cross and how to pray to apply it when they want to.

We start out as children in the natural, and become as children again to enter The Kingdom of Heaven so...

Tell them in word and deed that you Love them and God Loves them, all the time, forever. They are Completely Forgiven, Perfectly Loved.

The Love of God nourishes and does all things. They will grow and bear 'fruit', 'more fruit', and hopefully 'much Fruit',  Jn. 15. They will be seekers, overcommers, and Opened Testimonies to the Glory of God and His Kingdom. Fully Loved, all the way to their core, and Fully Loving.

### *If You Have Decided to be a Facilitator: Pastoral Involvement, other Considerations*

- Explain the vision, intent, and purpose of the mission of the materials.
- Ask if it is compatible with the church vision at this time or near future.
- Request they consider support, involvement, their wives, elders, deacons, and other leaders.
- Give them the materials to consider and look over. Or, check online website, [www.fullness.org](http://www.fullness.org)
- We need Bless-ed seekers. Watch for the fruit.
- If you have a written testimony, add it to the materials to review.
- Submit to their decision when it comes. God's timing is essential. If you hear a "No" now, it may change when the timing is right. Wait on Him and pray. The Lord will open the door if and when He sees fit. Remember God's Will is Supreme.
- Morning, evening – In church or home, or a meeting place: Your Choice
  - 30 minutes Group discussion, questions, testimonies from last week's reading, work or prayer time (lengthen this time as needed)
  - 20-40 minutes Music and prayer
  - 40 minutes Any short testimonies of this moment, new insights, and understandings. Teaching time.
  - 30-40 minutes End Prayer and music ministry time and off to lunch and fellowship
- Determine with your leadership how, when and where to make the materials available to the women. Partial church scholarships could be considered. I do not recommend total scholarships. Human nature respects and commits more diligently when a price is paid by themselves. I do recommend the church buy a projected number of materials and charge a fee for the materials for nine weeks with a babysitting fee included if applicable. Some of

the trade-off with a partial scholarship could be to baby-sit for one nine week period and earn the materials for the next nine-week period. There are many options. Be flexible.

- When you receive agreement, ask if you can put an announcement in the church bulletin, the flyer, newsletter or e-mails, and if the pastor and his wife would stand with you and announce the gatherings to the whole church on the agreed upon Sunday during announcement time. Sunday morning, night, and Wednesday night are the usual times.
- To the church or group: Explain vision, commitment to diligence and the Fullness of GodHead bodily that Jesus offers. Our loneliness and emptiness and formlessness and darkness have ended. Be Friends of the Holy Spirit, the Bride of Jesus and daughter of Our Father. Receiving/ walking in the Fullness of His Love.
- Announce date, time, location, cost and if babysitting is available. Show the nine weeks materials you are starting with.
- Be sensitive to invite anyone in your community.
- When the nine weeks is over, suggest the women invite a friend and go through the nine weeks a second time. The Holy Spirit will gladly give more of Himself the second time around. Remember: "There is one Baptizer but many baptisms, I would have you ask, seek, knock, open, and receive *all* that My Word has pertaining to this."
- Inform leadership of fruit developing. Ask women to write testimonies down. Offer them to leadership. Save a copy for your file and send a copy of good fruit to me. We will all be blessed. I may choose some to put on the Internet website minus actual names if they prefer.

## *Facilitator Pre - Meeting Preparation*

You have decided to be a blessing In Christ.

Before you take the vision and materials to your pastor or women's ministry leader, you should consider looking for a *co-facilitator*. It could be your Pastor's wife, friend, or anyone the Holy Spirit chooses. The Lord likes to send us by two's. If you cannot start with one, one may come to the first meeting and you can speak to her to consider being a co-facilitator with you. Both of you know the materials and agree with them.

Pray.

Receive:

- Christ In you the Hope of Glory
- His Grace
- His Humility
- His Righteousness
- His Faith
- His Presence
- His Fullness of Love
- His Authority
- His Oil of Gladness
- His Joy
- His Peace
- His Timing
- His Witness (that He wants you to do this and when)

## His Obedience

Remember: Unless the Holy Spirit comes – you don't go; unless He gives it, you don't have it; unless He does it, it won't happen.

Consider finding a couple of babysitters for the seeker's children if possible for during the gatherings. Agree on amount of money wanted for two and one half hours once a week for nine weeks.

When you are ready, pray about where the Holy Spirit would have you have the meetings. In your home, or church, or facility(I know one who gathers exercise buddies) ... If it will be under church leadership, prepare to approach them. Know your materials.

*Pray, "Lord, show me your timing. May your Righteousness go before me, your Presence be with me, and your Glory be my Rearguard. I receive your special Graces and favor because of Jesus and The Already Completed Work of His Cross and for the sake of your Kingdom. In Jesus Name, your Will be done, Amen."*

Set a time to submit the materials to leadership. Give them the [www.fullness.org](http://www.fullness.org) website address to visit. Ask them to look it over to witness that it is compatible with the church.

Allow them time to look it over.

Set a time to go back and ask for their decision. Submit to that decision. Hopefully it is a resounding "yes!" If not, maybe other programs are in effect and you may ask again later when the Holy Spirit has had a chance to prepare hearts and make room for this there. He can open doors that no man can shut, and shut a door no man can open.

If leadership agrees, ask for their involvement. Wives of the Pastor, elders, and deacons also. Speak to each of them for their agreement and involvement.

If there is church support, determine a class fee. It would be the materials and consider including a cost of childcare in the overall fee.

Consider partial scholarships for some who need it. Humanity usually has to pay some price or they do not commit seriously.

Inform the seekers in the newsletter, a flyer, e- mails.

Make some index size cards with the name of the program, date, time, and place, and if there is childcare and the cost, and phone no. to call for questions.

Put it in the church bulletin for two weeks prior to the formal Sunday announcement .Ask the Pastor if he and his wife would announce the program with you on a specified Sunday. Announce the location, time, date, and cost as well as your explanation of the Series and your vision of it. You could have them sign-up somewhere.

You and your partner give out the index cards to the people at the doors as they are leaving. Or, one sign- up and one give out the cards.

Consider expanding the invitation to the community.

Keep your Pastor informed. Ask seekers to write their testimonies down and give them to the Pastor and some testimonies we will put on our website.

## Contemplation

In preparation for the Fullness meetings:

Day by day, relax, and be filled with the Fullness of the GodHead.

Know the Lord Jesus. As the *Written Word* and as the *Living Word*. Savior and Lord. Seek His Righteousness.

Know the Holy Spirit. As your Best Friend and you as His. Seek to make Him proud of you.  
Know Our Father. As your Creator and Father. Seek His approval.  
Love Him.  
Trust Him.  
Be prepared to love and serve.  
According to the Will of God for you.

Our Father is your Father (you are His child/daughter), Jesus is your Husband (you are His Beloved Betrothed Bride), and the Holy Spirit is your Best Friend (you are His in return).  
Look to only these for your approval.  
Look to only Jesus for doing anything right.  
Look to only the Holy Spirit for being anything to be proud of.

His Presence releases His Authority.

His Authority releases His Angels.

You set the *atmosphere*.

📖 *Lk.2:13-14, "And suddenly there was with the Angel a multitude of the heavenly Host, praising God, and saying, Glory to God in the highest, and on earth Peace, Good Will toward men."*

True Peace (from following the lead of the Holy Spirit) and Joy in/of the Holy Spirit, by extending the enlarged heart of impartial, Agape Love of God (Good Will toward all humans impartially).

Affirming, encouraging, praying for others highest potential to be met, plus their needs. Agape Love is a choice, an act of Good Will. A Creative, Anointed atmosphere.

### *Remember:*

In Love speak the Truth. Do not apologize for the Truth. It negates the work of it. Truth is more important than any relationship on earth to be set free and maintain that freedom.

Ask permission to speak before speaking an invasive Truth into someone.

Or, wait to be asked.

Allow others time to learn and grow, as you did. People grow at different rates of time. What took you 15 years to learn, another may absorb in 6 months. Or, visa versa. So, again, relax and day by day be filled with the Fullness of the Godhead and let others do so at their pace.

Cooperation with authority or workers or friends; not competing.

Skillful, professional, workmanship.

Forsake not fruitful fellowship one with another.

Offer the hand of friendship and attain to knowing each other at the highest level "spirit to spirit" in earth as it is in Heaven; rather than soul to soul or at worst, flesh to flesh; not jealous, adversarial, prideful, unresponsive or sensual.

In Joy, esteeming others more highly than yourself, unselfishly.

We are to lay down our life for our friend. Dedication.

You set the *standard* for an example in all areas. Trust, money; honesty, diligence, contentment, willingness to share, loving, respectful, honorable, in relationships; thoughts, feelings, actions, line up; if there is a problem, speak first directly to that person, etc.

You set the *direction*. Your goal, what you are and what you are not. What you will do.

You set the *timing*. *According to the Holy Spirit*.

You are a Valiant Woman In Christ.

Valiant in the “authority” position.

Valiant in the “helping” position.

Able to be either/or to the women’s group, flexibly.

You will encourage the women to seek, meet, know and love the God who knows it all, you will not seek to be their god who knows it all.

You will allow the Holy Spirit to be their Teacher . Show them how to study and pray for them to receive insight and revelation knowledge. How to use a dictionary and concordance, along with the scriptures.

Encourage testimonies.

Give credit to who it is due.

Give Glory (Reputation) to where it is due.

## *Facilitator Group Instructions*

- Go over the Facilitator Instructions with the group for their comfort, order, and exhortation and Graceful boundaries: NOT as - legalism.

Individualize this all as much as you can for your group and their particular needs and maturity. Go as deep as you see fit. You can choose just the overviews, or the overviews and the detail work, or the overviews, the detail work, and the front page scriptures that you go study in depth of each section. Be sensitive and flexible. Share in your own vocabulary words and as make it as personal as possible.

📖 I Cor. 14:26

*Everyone has a part!* Every time we get together, each one has a psalm, a tongue, a doctrine, a testimony, a prayer, a hope, a smile, an encouragement, an understanding, a dance, a handshake, a laugh, a breath.... whatever Christ prepared you to share...give it out starting today in humble Love and obedience and His Timing to the best of your ability. Grace will take care of it.

- Make a list of names, e-mail, and phone numbers. Copy the Friends of the GodHead sheet below and fill in the blanks. Make copies and give a copy to each one in the group. Encourage each other to call for agreement, prayer, sharing or confession to speed the

healing, deliverance, redemption. Each day you will be reading the same Truth. Revelation knowledge can abound in the unity of a group receiving like this.

- First Gathering Meeting– Consider using nametags if seekers do not know each other. Encourage relationships. Encourage sharing rides if they live near each other.

- Possible common problems:

The seeker who argues – Request politely that she speak with you or your helper privately outside of the meeting.

The seeker withdrawn – Ask her questions to draw her into the group; embrace her.

The seeker counselor – Ask her to refrain from her advising every meeting. The Holy Spirit is the counselor and can advise each woman Himself or use anyone to counsel another woman.

The controlling seeker – Confirm her worth; encourage her to let others participate to grow also, ask her to pray for others to share.

The jealous seeker – Assure her Jesus belongs to all of us equally, what we each have received in Christ we can pray and ask the Holy Spirit to give to her and she can have it, too.

The envious seeker – Comfort her also that we are all equally loved as the Bride of Christ. We are all equally important to Him. He wants each of us to have what we need to fulfill His Purpose in us. He wants all of us to allow Christ in us the Hope of Glory grow to fullness of stature and maturity. He released us all 2000 years ago. We share what we have In Christ. Each seeker has something to share. It takes humility to receive from the unexpected vessel who has what you want. Humble themselves. Have joy in what you receive. Be filled with the Oil of Gladness to give it away and bless others happily. The more you give away, the more you assure your position in Christ.

The idolatrous seeker – pray for her self-esteem In Christ to be revealed to her. Pin point Christ In her that you see, welcome and accredit graciously. She will fluctuate between a know-it-all to insecurity. Confirm her worth and Righteousness In Christ Jesus. Remind her Jesus said, “Only Our Father is Good.” Worship God, not people. He has all the Wisdom and Knowledge and answers, not people. People are not perfect and they will disappoint you. Again, He will give to her a portion of what you have and more, as she grows up In Him. She did not grow from 1year old to thirty in a day in the natural. Neither will she in the Spirit. Tell her kindly be patient and grow daily and to ask the Holy Spirit to please teach her personally too.

- Facilitators and co-facilitators can send any questions you have arising from the gatherings to us [info@fullness.org](mailto:info@fullness.org) We will get back with you.
- We are calling and sending facilitators to facilitate God’s spark in others!

- Ask the Holy Spirit for: flexibility – be flexible to what He wants to do in each meeting.

- Multiplication of Lord’s personal relationship, is desire and motive, not self-replication.

Replete: Completely full, feeling of more than enough, fullness of blood  
“re” – lation: again  
to fill again and again and again  
to keep full- infinitely in-filling

- A few songs to start meeting – ask people if God put a particular song on their heart that day, too.

Blood songs, He is Worthy type songs – all old wounds sapping the infilling, bruises, etc. ‘put’ into The Already Completed Work of the Cross - abide there

- Any words of inspired prophecy, visions: encourage new people to share if they “understand something” or saw or heard or remembered “something”. The Holy Spirit will be moving. He is a surprise party.
  - Receive Holy Communion
  - If you have to speak a difficult Truth to someone, speak the Truth in Love. Seemingly brutal Truth from a heart of Love is better than charming cloaked deception. The Truth will free and heal them. Speak face to face. Ask permission to speak Truth into them. Ask before invading; *humbly ask*. Be sure the Holy Spirit is leading you and the time is right. Make sure you are not just relieving yourself or trying to ‘fix’ them so your life will be easier. The way, the attitude, the timing is important.
  - Prayer to focus – apply the Work of the Cross, the Word and Will of God, Blood, Stripes, and the Name of Jesus to the meeting, church and people and families.
  - Short testimonies of miracles of the heart, etc. during the week – the ‘leaky’ heart being healed and filled.
  - Ask if there are any questions about the previous week perceptions.
  - Read and teach the meeting.
  - Ask if there are any questions. If stumped, be kind and say so and ask the Holy Spirit to teach that person and the group His answer. It is His job. He is faithful.
  - Pray, sing, hug, whatever He shows you to close the meeting. You could break into groups of two, four or six to share something personal and pray for each other. Remind ladies of confidentiality. Encourage sensitivity to call someone to pray or talk or walk together during the week.
  - Encourage and bonding the hearts in Trust.
  - If you have hired babysitting, take up an offering.
  - Dismiss – if near lunch – it is wise to pick a place to go for lunch for His Impartial Fullness of Love to flow - and no feelings will be hurt.
- 
- Prepare a Special Gathering Meeting on the Week 9
  - Testimonies/sharing/Communion/ Songs – time of inspirational words, songs, poetry, revelatory visions or understandings, words of knowledge, encouragement
  - Thanksgiving for Fullness of the Love of Our Father Elohim, Love of Jesus as our Husband, and the Love of the Holy Spirit as our Friend. Our “In earth(vessel) as in Heaven” Family.
  - Prayer
  - Declaration of Love
  - “What I have I give unto thee”, “Blow” Breath of Life upon others
  - Hugs all around before you go
  - Inform all if another set of Meetings will start and when.

# Suggested Helps to use for Bible Study

The Blood of Jesus Speaks!!! Through His Word.

I highly recommend a  'study' Bible version to use all of your life .

The majority of this study is the  Scofield Reference Bible, C. 1967... Oxford U. Press.

Then, other scriptures such as the book of John, from  The Message, C.1993,1994,1995, Eugene H. Peterson, NavPress.

And, from  Dake's Annotated Reference Bible, C. 1961, 1963, F.J. Dake, Dake Bible Sales.

*In using these versions we will be on the same page, so to speak, and the vocabulary words are the same.*

I have had the same Bible since I went to my first Bible Study and the leading lady gave each of us a new Bible to study with her. It is like an old friend, familiar and always there for me. It is foundationally sound. I am foundational, but not 'fundamental' in denominational terms of cutting out miracles for today's people of God. In places where it misses out on believing in miracles for today, the Lord, Our Friend the Holy Spirit, Our personal trainer here, takes our hands and has us jump over into the  Dakes Annotated Reference Bible to study further, and go even deeper in His Loving, Divine SonLight Rays of Revelation Knowledge of Himself and His Kingdom in earth and on earth, as it is in Heaven.

*I do recommend a 'study' Bible version to use all of your life. Use the one of your choice.*

The 'study' Bibles help you to get more understanding out of the scriptures. So, if The Holy Spirit takes you along into another study translation... so be it. God has His reasons. Some of my Friends use the  Open Study Bible. Enjoy!

## Consider Additional Study Helps

The Blood of Jesus SPEAKS. To you Personally. Find out for yourself, I had to.

 Computer Study Programs. Buy one, or there are free  Holy Bible Reference Study Guides on the internet you can download for your computer. My husband put one on my computer, and I can type in a search word or phrase I want to study, and it lists all the scriptures for me in two seconds. In Old Testament or the New Testament, or pick a book or Letter you think it may be in. Then follow the Holy Spirit in reading. We are going to see about putting one on our Website for you.

For instance, look up 'anointing'. Then the derivatives. Anoint, Anointed, Anointedst. You will learn quickly. This is All for you personally, not just everyone else - or for some specially hand picked people on a pedestal. Its for an everyday you! For personal application in your life. Here you will find a portion - a fire - of the Living GodHead is within you, ready and willing to reveal and teach you All Things of Himself. When you are ready and willing and have something of Himself In

you, His Fire will 'spark' over onto and into others, and the process continues. For the sake of The Kingdom of God, In earth as it is In Heaven, to strengthen, mature, and multiply. For Jesus is coming back!

Dictionaries: Webster's, or again, the computer  Bible Study Programs have Dictionary explanations in them. Glean from another's anointing that did a huge work for you to benefit and grow. Look words up. Even if you think you generally know the meaning. God can pinpoint a new understanding about a word and its application to you *personally*.

 Concordance. This has all the words in the Bible listed, and you can check them all quickly when the Holy Spirit inspires you to seek a word, an answer, or look for His Word on a subject. Or, if you are seeking Truth and clarification yourself - about a standard, teaching, or revelation purported to you from the Body of Christ. When in doubt, seek it out – *for yourself*. And find the Holy Spirit will gladly teach you personally All Things you need to know. Trust Him.

Be humble and flexible. The Holy Spirit will also teach you to correctly interpret, or understand, what He teaches you. It is a growth process. Be patient and diligent with yourself. If you need to, let others know to be patient with you. God Loves small beginnings. You have to start somewhere. Now is a good time. He has always been your Best Friend, will you be His and learn?

Ask for prayer. I pray that you may 'Interpret – understand- , according to the Will and Purpose of God, In Jesus Name. Light Be! In your understanding today! What I have In Christ, give I to you, whewwwwwww. Humble yourself and Receive from the Holy Spirit NOW, In Jesus Name, Amen.

*"Thank you Lord Jesus, for sending understanding of All Things of Yourself and Your Kingdom, Into this earthen vessel as it is in Heaven. Reveal and Release Yourself In me. Teach me to pray, study, praise, and above all give me understanding. I humbly receive. Not to build my own kingdom, my name or my reputation, but to let your Gifts use me to Build Your Kingdom, Your Name, and Your Reputation, On earth as it is In Heaven, In Jesus name, Amen."*

 THE MESSAGE is a version of easy reading, today's vocabulary, kind of Bible. It is helpful for times to read if the Scofield's Reference King James words don't hit a chord of understanding. Read the part in question in this easy version, and then go back to Scofield's Reference King James, and you'll have an, "Ah – Ha! I get it now Lord!" moment. The terminology will become easier to receive from in Scofield's Reference King James as you get used to the language. At first it does seem like a foreign language. I found the words in the THE MESSAGE's Book of John so endearing and the Holy Spirit is called Our Friend. I loved that. You'll enjoy it too.
