

THE FIRST ONE TO BELIEVE / OUR FIRST FACILITATOR

Bev Tuck

Friend of The GodHead

My first believer in the Fullness of the GodHead Bodily teaching was my friend, Bev Tuck. She prayed for me and encouraged me to keep on learning, sharing, and writing. She kept after me faithfully. She was waiting to be a facilitator in North Carolina. She told her story of what happened when she learned of the Names of the Father and called on His Name in a time of depression. She said she was in the shower and who-o-osh - she felt like she had become wonder woman and could do all things confidently again. Darkness had gone. She got a taste of the Goodness of God and wanted more. My friend Bev went home to Jesus face to face 10 months after our son did. She is up there as one cheering and praying for us here. She is our first Facilitator. God bless you Bev!
