

Testimony – His Testimony, Pass It On

John 14:27, " Peace I leave with you, my peace I give unto you; not as the world giveth, give I unto you. *Let not your heart be troubled, neither let it be afraid.*"

When the Holy Spirit brings a particular incident to your memory, or your flesh is stuck on "replay" mode in your mind and heart of an experience that caused you trauma (trouble), I suggest you write it down first. It seems to take it a bit outside of yourself this way.

Then bind all the memories and the cause and effect on you of the people involved (Trauma or trouble) and by prayer, with the faith of Jesus, put it into the Completed Work of Jesus' Cross. You Honor Him by doing so. It makes His Sacrifice for you a personal experience. He does not want His Work of His Cross to go to waste by not knowing or receiving the Life He alone has earned for you. It is not a new or additional burden for Him that you are adding to His misery. His Work of the Cross is Complete. It was finished 2001 years ago. Anything you have had happen, His Cross covered it within the seven categories(I call them 'boxes'). You are not being more spiritual by holding onto the hurt or anger or suffer the memories alone. Lack of knowledge or pride can take us away from being the blessing we are born to be. We are not God the Creator, we are His creation, humbly receiving all He offers us, and with a glad heart share it with others.

After prayer, watch for new intrinsic ways of seeing, thinking, feeling, understanding and interpreting what happened to you. The Holy Spirit will open new pathways of thinking. He will give you His viewpoint on it. He will free you of the trauma of it and its 'replays'. He will turn it into a positive way to empathize, show His Compassion, and testify to others. It will be a surprise what part of the experience will bless others with Hope and Healing.

We all suffer somehow, in some way. It enables us to understand in a small way what Jesus did for us. It gives us opportunities to be humble, and mature 'in Christ', by becoming dependent on Him for every need. All the Good of who we are, what we have, what we do, all comes from Him and goes back to Him. All the good (even your own goodness), bad and ugly is to go into The Already Completed Work of the Cross. Out comes the release of all Good things in Christ for you. We HONOR Him by doing this and receiving His Work in us. We give Him GLORY (build His Reputation) that He is the God who does turn All bad into something Good.

So, yield (surrender), listen (hear), praise (agree), and obey (act) on this testimony and exhortation. Then "Pass it on".
