

# The Heart Behind Fullness Ministries

©1999 Fullness Ministries/Alexandria & Friends

**Come up here to a higher blessing and receive, Rev.4:1**

**The Ministry of Fullness had its' beginnings in 1987 as a women's teaching group in Greensboro, N.C.**

**The Lord calls her name 'Alexandria', Gen. 32:28; Gen.17:5, Gen.17:15; Acts 28;11, 27:6; Ps.31:21; Ps. 107, esp.107:36.**

## **A THREE FOLD FOUNDATION**

**Along with seeking, receiving, & partaking of the Lord's Anointings, there are three areas that make up the foundation of the teaching ministry.**

### **STUDY**

**The first foundation area, that of "STUDY" began at the time mentioned above. An inspired, revelational study with the Holy Spirit personally teaching you.**

## **PRAYER**

**Along with her husband Ed, using their years of experience as full time crisis counselors, to teach a "How to Counsel" preparation class with the goal of creating an organized, well trained group in both the spiritual and practical foundations of counseling, within their church. The foundation of "PRAYER" began here.**

## **PRAISE**

**As a worship leader for 12 years, Alexandria grew in the understanding that song and dance was just a part of the Fullness of worshiping God. The foundation of "PRAISE" began here. Agreement with the Will of God for you.**

**Alexandria and her friend, Kathy Brusnighan were called to present the seven feasts of Israel to the church of Jesus Christ, releasing unity within the Body of Christ. Within the production of pageants of the 7 Feasts of the Tabernacle, Alexandria became the spiritual interpreter and teacher of the pageant participants; bringing them into the full understanding of their place of ministering to those witnessing the pageants, not merely performers of a beautiful event to entertain the church members.**

**In 1991 to 2001, Alexandria, Ed, and their daughter Emily, established a ministry publishing service, producing books for evangelists, teachers and pastors. The authors were featured on national radio and TV programs including TBN, CBN, Marlin Maddox, Dr. James Kennedy.**

**In 2003, Fullness Publishing began as non-profit publishing house, under the Fullness Ministries umbrella.**

**Out of these beginnings have grown Alexandria's study and teachings of the Fullness of the GodHead Bodily. Through her publishing books, CD, Fullness Institute, and the Fullness.org Internet Site, Alexandria offers these foundations of God's plan to all who have ears to hear.**

**The purpose of Fullness Ministries and Fullness.org, is to help give all of those who visit more insight into the Fullness of the GodHead Bodily: THE FATHER, THE SON, AND THE HOLY SPIRIT.**

**Alexandria knows, no one person has all of this knowledge, but she is here to pass on what she has learned, so that we can all "hear Him for ourselves", and continue to grow personally in God's Fullness.**
