

The Holy Spirit's Word to you...

"The only burden I would have you carry is Christ be formed In you!"

Gal 4:19

‘DENY OURSELVES’

God is releasing what requests and people (burdens) we have been ‘holding’, or carrying, in our hearts for years. This is part of ‘denying ourselves’, Matt.16:24. We will find God’s Grace takes care of them better than we ever could.

Yes, the ones the Holy Spirit inspired the request and the desire to agree with Him for changes. New growth and maturity will be noticed, healing of broken hearts, new mind-sets, and apertures of Light in the understanding of darkened, self-protective, hardened hearts. Receptivity, true submission to God, true spiritual intelligence, true salvation In Christ, gifts manifesting and Receivers become Givers with something of Christ to give. Children coming forth to be who they were born to be In Christ before they even entered the Mother’s womb. Spouses humbled, softened, and freed to walk in agreement with their partner according to the Will of God, not their own.

Also a remnant of God (the previously seeming outcasts-or dis-placed persons) coming together, understanding each other, agreeing, unifying, supporting and encouraging each other, and releasing unshakable Security in Ministers of who they are In Christ and enablement to see, respect, and encourage to maturity, Christ In the form of individuals in their midst.

Divine Order will come about within the individual and corporate Body of Christ. A Grace to Trust God in new areas. Not just Christ the Hope of Glory in the form of yourself, but Christ the Hope of Glory in the form of others is to be recognized, confirmed, respected, and cooperated with.

‘TAKE UP HIS CROSS’

The stress of holding them in our hearts is over. Stones of Bitterness are dissolving. The laser SonLight in our understanding, the Grace of God, and the Power of the Completed Work of Jesus’ Cross is ‘carrying’ them from now on. We have taken up Jesus’ already Completed Cross instead of our own and find it

is lite-hearted, Light, and easy as He promised. Our cross is His Completed Cross. Our work is His Completed Work. Our burden is Himself - Christ In us and He is not hard nor heavy to receive and bear as He is formed In us to maturity. The Power of His Higher Thoughts and Ways are ours as we "take up" – receive, carry, and release to others by prayer, testifying, and obedient demonstration - His Cross and His Completed Work of it! Matt.16:24-25.Col.2:9-10.

We put all those prayer requests and people (burdens) we Love with God's Love, by prayer into The Completed Work of Jesus' Cross and see the Power of it work in their lives! Go God! He is their God, not us! He is their personal God, not just ours. Deny yourself the worry and the credit – give it all to Jesus and The Completed Work of His Cross. Insist Jesus has already taken care of each situation 2000 years ago and you receive what He already planned and sent. The fireworks show has begun. Watch, enjoy, celebrate, and testify how the Kingdom of God is at hand and what the Power of The Completed Work of Jesus' Cross has done in your life and those around you. Your 'sparks' will ignite the others fire. I always loved those little Fourth of July sparklers.

'FOLLOW HIM'

These people we have been praying and hoping for, waiting on, and carrying dearly in our hearts for years, are coming forth In Christ NOW, this next year. The evidence is already there. His Triumph already Prevails. Call them forth, In Jesus Name. Call forth the Divine Nature of God in them. Call forth their Divine Plan and Purpose that they and God agreed upon before they were in their Mother's womb. Cheer them on. Speak positive Blessings upon them. 'See' them to be who God has shown you they already are. Call them to be what positive things their name means, knowing the spiritual opposite will try to influence them and establish itself. For example, our son Elijah is 'highest faithfulness to God'. I say to him 'Highest faithfulness to God come forth! In Jesus Name!' (Then to myself and God) *'Not because he did anything right or good, but because of Jesus and The Completed Work of His Cross. His Righteousness goes before us, His Presence is with us, and His Glory is our Rearguard.'* (Isa.58:8-9) Then the Angels of the Holy Spirit have plenty to work on in him. To the credit of The GodHead. His Word has already Triumphed. We just agree with it, release it and them, Into Christ and the Completed Work of His Cross. Then watch the results, take note, and be encouraged to continue the release process.

Follow – (join) Him as a Living Intercession In Christ, and Release His Prevailing Triumphant Power Anointing in prayer by faith In Jesus and The Completed Work of His Cross, All around the world to the Body of Christ willing to receive. To those near and far. We are One in the Spirit. They

will 'catch' it by Grace. Others In Christ have done this for you. Now it is your turn. Understand, agree, unify, pray the release of burdens by Faith In Jesus and The Completed Work of His Cross. 'See' them all go into Jesus and The Completed Work of His Cross and take up residence there. Christ will be free to be formed In them also. "Jesus increased in Wisdom and Stature, and in Favor with God and man," Lk.2:52. Daily we will increase, and release others to do so, also. You by His Grace, 'carry' Christ In you the Hope of Glory to full stature, or maturity, and release others to 'carry' Himself In them to maturity by trusting in the Prevailing Triumphant Power of Jesus and the Completed Work of His Cross. Be a catalyst In Christ. Only 'carry' one another's burdens long enough to put it over Into Christ and The Completed Work of His Cross. Especially your children, spouse, and close family. But as I said, offer what the Holy Spirit gives you of Himself to All the Body of Christ in prayer, also.
For as The Holy Spirit said,

"The only burden I would have you carry is Christ be formed In you!"

'FIND'

'Deny yourself, take up His Cross, follow Him and find your Triumphant Life In Christ'...Matt.16;24-26.

and go rejoicing in SonLight and Laughter....upon The Peaceful Sea of Glass. In earth as it is in Heaven. 'Lite hearted', full of 'Light', and going 'easily'.

"Light Be! In your understanding today!"

P.S. I 'understand' that this letter is what we are giving Jesus for **His** Birthday gift at Christmas each year. He always gives us gifts. This offering is ours **to Him for His Birthday Gift**. We give Him our weakness of carrying our own burdens and cross in im-maturity and take up the Strength of **His** instead.

"Our faux-strength – weakness of human love, fears, worry, anxiety, secret self-seeking accreditation and aggrandizement out of insecurity, lack of Knowledge, and therefore low recognition and esteem of Christ In ourselves and others, the Hope of Glory - for Your True Strength, Lord. Your Love, Your Trust, Your Knowledge, Your Security, Your Power to deny self, and take up Your Cross, Follow and find Your Life in us, and Your encouragement to give to others to do likewise. Cause us to do this. All to Your Credit! Happy Birthday, Jesus." Hug.

May the Strength of His Perfect Love be manifest and

multiplied...

Smilin at ya, three cheers! Alexandria.
